# **ANNOUNCING --- More Benefits Added for BCANY Members**

## **Background:**

All BCANY members are automatically members of the National High School Basketball Coaches Association. (NHSBCA)

The NHSBCA has partnered with Luceo Sports to provide outstanding benefits to BCANY – NHSBCA members.

## **The new benefits are:**

1. **NHSBCA Resources** - articles, videos,
2. **NHSBCA Playbook** app -
3. And more.....

## **When:**

Within the next week

## **Process:**

1. BCANY will forward your email address, first and last name, and name of the school where you coach to Luceo Sports.
2. After Luceo imports BCANY members information, their account will be automatically created and the **BCANY member will receive an Account Activation email, from NHSBCA**
3. The BCANY member will have 48 hours to accept the invite before it expires. If they don't accept it in time they can request a new invitation.
4. To activate the account they just need to set their password. Their name & email are already in the system as part of the import. This information is required for their account, so if they want it removed they will not be able to access the NHSBCA benefits.
5. The most common issue is people not activating their account within the 48 hour window. When that happens they can email [help@luceosports.com](mailto:help@luceosports.com) and we can resend an invite, or they can request a new one themselves here – <https://blog.nhsbca.org/nhsbca-member-account-activation>

*Please be patient. This is a new endeavor for us.*

*The NHSBCA is an organization that unites the various State Basketball Coaches Associations. There are nearly 40 states that have basketball coaches associations, so the NHSBCA encompasses the various state basketball coaches associations for the greater good of the game.*

1. National voice of action of Action for High School Basketball Coaches.
2. To promote and protect the rich tradition of high school basketball throughout the United States of America.
3. To foster higher standards of professionalism and to support the coaches and players through activities which benefits participants engaged in basketball throughout the nation.
4. To have an organized national voice for high school basketball coaches - and work with other organizations involving basketball such as National Federation of High Schools, NAIA, NCAA, NJCAA, National Association of High School Basketball Coaches, State Athletic Associations, USA Basketball, the Women's Association of Basketball Coaches, and others.
5. To provide professional growth opportunities for state organizations and their members.
6. To develop and maintain a first class national communication system for this organization.
7. To provide support and direction for states as they organize and revamp their own state organizations.
8. To share ideas for the improvement of the various State Basketball Coaches Associations.
