New Benefits for BCANY Members

Background:

All BCANY members are automatically members of the National High School Basketball Coaches Association. (NHSBCA)

The NHSBCA has partnered with Luceo Sports to provide outstanding benefits to BCANY – NHSBCA members.

The new benefits are:

1. **NHSBCA Resources** - articles, videos, (Live now)
2. **NHSBCA Whiteboard** app - (Live soon)

When:

Within the next week

Process:

1. BCANY will forward your email address, first and last name, and name of the school where you coach to Luceo Sports.
2. After Luceo imports BCANY members information, their account will be automatically created and the BCANY member will receive an Account Activation email, from NHSBCA
3. The BCANY member will have 48 hours to accept the invite before it expires. If they don't accept it in time they can request a new invitation.
4. To activate the account they just need to set their password. Their name & email are already in the system as part of the import. This information is required for their account, so if they want it removed they will not be able to access the NHSBCA benefits.
5. The most common issue is people not activating their account within the 48 hour window. When that happens they can email help@luceosports.com and we can resend an invite, or they can request a new one themselves here - <https://blog.nhsbca.org/nhsbca-member-account-activation>

Please be patient. This is a new endeavor for us.
